

Invitation to German, Swedish, Danish law seminar:

Shipping, Offshore and Insurance seminar, 2018

The law firms of WSCO, Copenhagen and Morssing & Nycander, Stockholm, cordially invite you to the Shipping, Offshore and Insurance seminar 2018 in Hamburg. The seminar integrates German, Swedish and Danish law and business in particular related to maritime transport and offshore. The seminar covers legal presentations concerning offshore contracts and operations, liability under maritime law, insurance and arbitration. In addition, Thony Lindström Härdin, General Counsel at Floatel International, will present an industry insight into trends and challenges in offshore chartering.

The seminar is open to all with an interest in the maritime and offshore sectors, and, in addition to professional input, the seminar offers an excellent opportunity to network and exchange experiences in an informal atmosphere.

- 15.00 - 15.10: *Welcome and introductions.*
- 15.10 - 15.35: *Christer Söderlund, Morssing Nycander: Procedural escalation in international arbitration – can anything be done and should it?*
- 15.35 - 16.00: *Carsten Tolderlund, WSCO: All Risk Policies – What Constitutes Physical Damage ?*
- 16.00 - 16.25: *Marcel Goldin, WSCO: Legal advantages for German investments in Denmark.*
- 16.25 - 16.40: *Networking break. Coffee, drinks and snacks will be served.*
- 16.40 - 17.05: *Jesper Windahl and Rósing Rasmussen, WSCO: Carrier liability for damage to goods caused by negligent construction- or repair work?*
- 17.05 - 17.35: *Thony Lindström Härdin, General Counsel at Floatel International: Offshore chartering - trends and challenges ahead.*
- 17.35 - 18.30: *Close of seminar. Networking. Refreshments will be served.*

The seminar is held on 18 April 2018 at:
